[450 204-1679](tel:450-204-1679)

TECHNICAL DIRECTOR

Julien Lacelle

jlacelle@feelgoodfaktory.com

[514 797-8803](tel:514-797-8803)

1. GENERAL PROVISIONS

Definitions: In this document, "Presenter" represents the venue manager (hall, festival, or other), and "Producer" represents Feel Good Faktory, the production company for Moonlight Seekers.

The Presenter agrees to:

- ▶ Meet all requirements outlined in this technical rider
- ▶ Provide parking space near the venue for 1 van with 12' trailer (approximately 50' total length)
- ▶ Provide minimum 1 experienced technician to ensure proper operation of venue equipment, assist with load-in/out of producer's equipment, and operate lighting during performance
- ▶ Provide a safe environment for the entire duration of the Producer's presence
- ▶ Maintain valid liability insurance to compensate the Producer for any damage, loss, or injury resulting from accidents for which the Presenter is responsible

LOAD-IN SCHEDULE

The Producer requires 2.5 hours of setup before doors open:

30 min

Load-in

60 min

Setup

30 min

Sound check

30 min

Cleanup & meal

Accommodation Requirements:

2 rooms with 2 double beds each

DISTANCE FROM MONTRÉAL	ACCOMMODATION PROVIDED
Over 120 km	Each performance night
Over 200 km	Night before first show + each performance night

2. STAGE

PROVIDED BY PRESENTER

- ▶ Covered stage protected from weather with level floor
- ▶ **Minimum dimensions:**
 - Width: 16'
 - Depth: 12'
 - Height: 1'
- ▶ FOH position at floor level, centered in front of stage

PROVIDED BY PRODUCER

- ▶ All instruments, amplifiers, and accessories
- ▶ 1 band banner (suspended if possible; self-supporting system provided if needed)

3. SOUND

PROVIDED BY PRESENTER

- ▶ Professional 3-way stereo PA system (L-Acoustic, D&B, JBL, Nexo, or equivalent)
- ▶ M32/X32 full console with stage box (advise Technical Director if unavailable)
- ▶ Microphones and stands per attached patch list
- ▶ 2 monitors for vocalist
- ▶ ***Independent 20-amp circuit stage right of drummer***

PROVIDED BY PRODUCER

- ▶ X32 Rack console + 125' ethernet cables
- ▶ Complete IEM equipment
- ▶ All power and XLR cabling for instruments, vocals, and IEM
- ▶ Microphones (marked with "*" in attached patch list)

4. LIGHTING

PROVIDED BY PRESENTER

- ▶ Front lighting system to clearly illuminate all musicians' faces
- ▶ Ambient lighting adjustable to band colors
- ▶ Fog machine

PROVIDED BY PRODUCER

- ▶ To be determined

5. DRESSING ROOM

The Presenter agrees to provide a lockable dressing room or space accommodating 6 people to securely store the Producer's personal belongings. Access restricted to artist and personnel at all times. The room must be clean, well-lit, heated/air-conditioned, and include:

FURNITURE

- 1 large mirror
- 1 table and 6 chairs
- Iron and ironing board

FACILITIES

- 1 private toilet with sink
- 4 black towels
- Drinking water

CATERING

- Meals for 6 people (2 vegan)
- Fresh fruits and vegetables
- Snacks
- Coffee, tea, kettle

BEVERAGES

- Mate Libre or Guru
- 12 alcoholic beers (local preferred)
- 6 non-alcoholic beers (local preferred)

6. MERCHANDISE

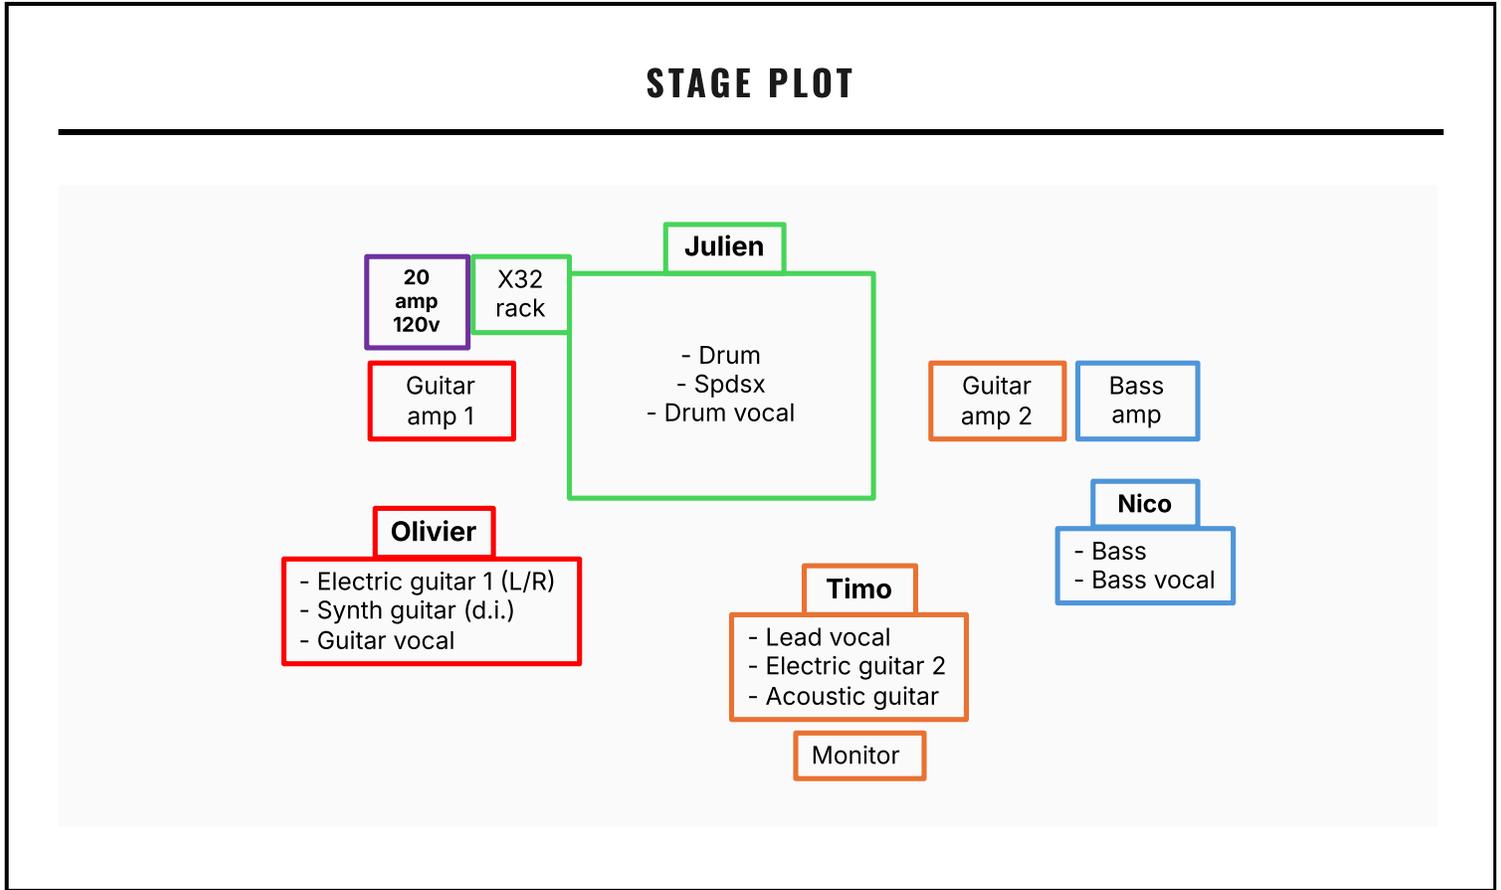

PROVIDED BY PRESENTER

- ▶ Dedicated, well-lit merchandise space in accessible, visible location
- ▶ 1 six-foot table
- ▶ 2 chairs
- ▶ 1 nearby power outlet

PROVIDED BY PRODUCER

- ▶ Merchandise, displays, decorations, tablecloth
- ▶ POS system (Square)
